PROFILE

I am a junior at Kean University with a degree in Computer Science. I am looking for a position that involves computers so I can learn and gain experience in the field of IT/Computer Science.

SKILLS

- HARDWORKING
- DEPENDABLE
- ATTENTIVE
- GOOD PROBLEM SOLVING SKILLS

EXPERIENCE

IT Technician Intern

2020 - 2020

I was an intern for the Union County Administration Building in Elizabeth, NJ. I assisted with tech issues the people in the facility were facing. It was a great opportunity to gain more experience in my field.

Server/Bridal Attendant/Butler

2019 - 2022

I served weddings at a banquet hall called Crystal Plaza in Union NJ. I worked with many people as a team for hospitality. Made sure the clients were happy with the service that was given.

EDUCATION

Kean University

2020-2024

Expected to receive a bachelors' degree in
Computer Science: Information Systems

GPA: 3.412

Notable Professors: Dr. Kumar, Mr. Novotny,
Dr. Chu
